L. BENNY SPILLER, JR.

Assistant Vice President of Operations

Benny Spiller, Jr. joins Roof Consulting Services, Inc. (RCS) with 30 years of experience in the building services industry. Benny has been in charge of operations, sales and marketing and led strong executive management teams across Virginia and throughout the United States. He helped grow his former company’s businesses to a multimillion dollar company through his strong communication and interpersonal skills. He has managed over 15 million square feet as well as 300 plus teammates across the United States.

Mr. Spiller has been in the Building Services Industries in all executive management levels all over the country and in Mexico. He has had oversight on the sales and marketing as well as in management decisions throughout his career. He has been involved with the LEED programs thru (GBCI) Green Building Certification Institute; BSCAI and BOMA organizations.

Mr. Spiller served in the United States Army and was honorably discharged.

Over the last 5 years Mr. Spiller has served in law enforcement and led his team as class president and team leader throughout the academy. He has an outstanding reputation with community service.
