DAVID A. TOMLIN, RRO

Registered Roof Observer

Project Role: Senior Field Technician / Quality Control Inspector

Mr. Tomlin began working in the roofing industry at the age of fourteen (14) and has worked for a number of roofing contractors in the geographic area of Richmond, Virginia. He has worked as a laborer installing shingles, metal and slate steep-slope roofing systems as well as low-slope, built-up and various single-ply membrane roofing systems.

Mr. Tomlin previously worked with RCVA from (1988-1996) as a quality control inspector and field technician. While employed with RCVA, Mr. Tomlin traveled throughout the continental United States performing warranty claim investigations and final / two-year manufacturer guarantee inspections.
