JAMES L. EDWARDS

CADD Operator

Project Role: Design

James Edwards has working knowledge of our visual roof inspection, nuclear moisture survey and design inspection criteria. He has worked in the field under our technicians during his employment with the company. With this knowledge and his educational background, Mr. Edwards is able to incorporate this into his drafting process. He continues to use his talents within our Drafting Department in AutoCAD operation for roof design drawings. He has completed numerous drawings for roof system replacement designs and visual roof condition drawings.
