JONATHAN R. L. GRANT IV

Vice President of Operations

Project Role: Review all Final Reports, Project Manager,
Moisture Survey Technician

Jonathan Grant IV joined RCS in 2003. He graduated high school in 2002 and worked for a short time at an architectural glass firm. He has worked with RCS for over eighteen (18) years and has assisted with several projects including infrared roof moisture surveys, nuclear roof moisture surveys, visual condition evaluations and field evaluations for roof replacement design projects.

Mr. Grant is a well-qualified technician for both infrared and nuclear back scatter surveys and as a quality control full time roof inspector. His knowledge of various roof system types and application requirements will prove beneficial for the quality of the project. He has performed numerous non-destructive roof moisture evaluations and visual roof condition evaluations.
