JORGE VIRGIN

Senior Vice President of Field Personnel

Project Role: Senior Project Inspector, Moisture Survey Technician

Mr. Virgin started his roofing experience as a laborer and since then has been promoted to Non-Destructive Technician, Quality Control Inspector, Team Leader and to his current position as Senior Project Inspector.

Mr. Virgin has contributed to various projects on a local and national basis. He has traveled throughout the continental United States as a team leader performing inspections for various roofing manufacturers including Johns Manville, Versico, Inc. and Allied Signal, Inc. (Honeywell) as well as numerous private clients. He has also completed visual inspections on numerous local government and state owned buildings including, numerous county school system and Virginia Department of Corrections.

Jorge's knowledge of various roof systems and roofing application methods will prove beneficial for the overall quality of any project he works on. He has performed numerous non-destructive evaluations at various locations for many state agencies in the Commonwealth of Virginia.
